KINGFISH CARES!

Frequently Asked Questions

What is the event about? The event has been designed to raise funds for the Safety Town facilities in Copley, Bath and Fairlawn. Safety Town is a five-day summer educational program that instructs kindergarten aged children about crossing the street, traffic lights, seat belts, bike safety and the work of police officers and firefighters. Children will practice and experience a variety of situations so that they may respond decisively when confronted with those same situations in real life. The financial support of Safety Town is an essential part of protecting the young children of our communities.

Who is the sponsor? This event is generously co-sponsored by two local civic-minded businesses;

Civista Bank, 529 N Cleveland Massillon Rd. and MPG Architects, 3660 Embassy Parkway.

Why is Kingfish involved? Kingfish is a new upscale seafood restaurant on the Montrose Restaurant Hill, owned by Hospitality Restaurants. Although we are a Northeast Ohio company with a 25 year history, we are new to the Akron area. That said, our simple goal in this endeavor is to introduce ourselves and establish a presence as responsible civic-minded members of the business community.

How does the night work? Simply call and make a reservation, come in for dinner and order from the menu as you normally would. There are no speeches, live or silent auctions, group presentations or other solicitations. Enjoy a wonderful evening out at your leisure while benefitting your community.

What is included? A four course dinner menu, specially designed by Executive Chef Marc Standen, will offer you a variety of our most popular dinner selections. \$100 per person includes a delicious dinner with premium wine served at the table. The \$100 also includes the gratuity for our service staff and Ohio sales tax with \$75 remaining donated directly to the charity. The proceeds from the evening will be divided equally between each of the three communities to benefit their own Safety Town's needs.

How do I pay? You'll be presented a guest check after dinner for \$100 per person. You can pay as you normally would in the restaurant with cash or credit card. Kingfish will donate \$75 per person dining.

How do I make reservations? Reservations can be made one of four convenient ways:

- In person at Kingfish – Inquire with a member of our management staff
- Through the Kingfish website 24/7 (KingfishAkron.com)
- Call the restaurant at 330.777.2005 (after 4:00pm)
